

Personality Development and Career Guidance Cell

One of the aims of the college is to help the students to make an appropriate career choice during the course of their stay in the college.

Personality Development and Career Guidance Cell guide the students about the available career opportunities. The service includes:

- Career Counselling by teachers.
- Provision of career-related information.
- Free internet facility.
- Career Guidance Corner (CGC) has been set up in the library to help students in obtaining information.
- To guide the students about job-oriented courses, workshops are organized in collaboration with MCED, DIC etc.
